

Remote work mode is preferable, but relocation is also not excluded.

List of companies with whom I collaborated in various projects last year:

Automotive head lighting – PROBRIGHT (Russia) – <http://probright.ru> (<https://diliht.ru>)

Waveguide projecting systems – COLOUR HOLOGRAPHIC LIMITED (England) –
<http://www.trulifeoptics.com>

Laser ray-tracing aberrometer, visual aberration measurement research (guidance of Prof. V.V.Molebny)
– Tracey technologies (USA) – <http://www.traceytechnologies.com/>
